What is your arrival time? _____

What is your departure time? _____

Will you be eating lunch with us? YES NO

Special Needs or Accommodations: YES NO

If you answered "Yes" please share more information such as handicap access questions, allergies:

Educational Questions

Part of our mission is to connect youth and adults with nature in meaningful ways. We want your class to enjoy an outdoor classroom experience that facilitates learning and growth through nature.

The following questions are to help us learn about your class and what they are learning in school.

1. Is your class studying a nature related topic or have they or will they this school year?
Please share what topics:

2. Would you like part of your field trip to include a guided educational activity? Below are some educational areas our staff can focus on. Please check any topics that you would be interested in, in addition to your response in question #1:

Pollinators / Beekeeping
Great Lakes / Watershed
Wildlife / Animal Adaptations
Vegetable Planting
Flowers
Insects

The 5 Senses
Greenhouses
Trees
Chickens
Seeds/Germination
Dinosaurs/Fossils

3. Would your group be interested in a miniature train ride aboard the Dairyland Express? This is a 16-inch gauge amusement park train powered by a Wisconsin gas engine that has three cars to accommodate 18 adults or 36 children at one time.

YES NO
